

## Homework for 8.2, Lesson 8.

See [www.ndhs.org.uk](http://www.ndhs.org.uk), keyword = 8.2, lesson 8

Next lesson you will make a page about what life was like 30 years ago, by asking some adults about their memories. Make notes about what they tell you. Include their answers to the following questions:

- What was the coolest technology they used 30 years ago?
  - Can they remember what they thought the world would be like in 2007?
  - What would they have put on a page about the topic you chose for your own-choice page? For example, if you chose to do a page about music in 2007, what would they have put on a page about music 30 years ago?
  - What do they think are the most important changes to life for young people in the last 30 years?
-
